

Homework–3

Compilers, Monsoon-2020, IIIT-H
Suresh Purini

Posted: August 27th, 2020

Due: September 3rd, 2020

1. Read the article *Bootstrapping a Self-Compiling Compiler from Machine X to Machine Y* by John H. Reynolds.
2. Read the *Automatic Scanner Generation* handout.
3. Read the excellent Chapter on Linkers from the book *Computer Systems: A Programmer's Perspective*. You read Sections 7.1 to 7.9. The rest of the sections will be next week's reading assignment. Solve Homework Problems 7.9 and 7.10 at the end of the Chapter. Submit the same.
